2 January 1964

Dear Bob,

Attached is a listing for AGE Spares for establishment of a separate base of operations for the AF-12.

It is requested that you submit your proposal for those line items that are circled. We assume this listing was prepared by you. We have, however, submitted the listing to the Depot and they have indicated that they can supply 45 of the 71 line items.

It is requested that any future spares or AGE provisioning be coordinated with the Depot prior to submission to Headquarters or to [redacted].

Very truly yours,
